

American Behcet's Disease Association
AWARENESS • RESEARCH • CURE • PREVENTION

**THE FIRST ANNUAL
GOLFING FOR A CURE
FOR BEHCET'S DISEASE
SATURDAY, SEPTEMBER 18, 2010**

To whom it may concern,

Thank you for your interest in the First Annual Golfing For A Cure For Behcet's Disease. We are proud to offer you the opportunity to sponsor this important initiative. We are offering Sponsorship at each hole and also at the dinner at the club restaurant.

This golf event for Behcet's Disease is being held at the Sylvan Glen Golf Course on Saturday, September 18, 2010. All profits raised at this event are going directly to the American Behcet's Disease Association – a non-profit organization that is dedicated to raising awareness, funding research, finding a cure and the eventual prevention of Behcet's Disease.

Behcet's Disease is a rare, debilitating disease that affects approximately 15-20,000 men, women and children in America – leaving thousands more undiagnosed each year. It is much like MS or Lupus, but can and does affect ALL major organs in the body. Walking, breathing, *living* can become a chore. Unfortunately, many doctors are not aware or experienced in treating this disease, and it is the ABDA's primary initiative to raise awareness to both doctors and patients.

We are excited that you may be interested in sponsoring our annual local event here in Michigan. It is a great chance to show your support for such a worthy cause while raising awareness for your company in your own area!

**YOUR SPONSORSHIP IS TAX-DEDUCTIBLE TO THE FULLEST EXTENT OF THE LAW.
SPONSORSHIPS MUST BE SUBMITTED BY AUGUST 31, 2010.**

If you have any questions about the sponsorships, or would like to sponsor this event, please contact:

Sandy McElgunn
Home) 248-399-1652
Cell) 248-931-4691

Please make all checks payable to the ABDA and send to:
Golfing for a Cure for Behcet's Disease – Sponsorship
PO BOX 80576
ROCHESTER, MI 48308

If you find that sponsoring the ABDA golf outing for Behcet's Disease is not ideal for you, won't you please take a moment to visit our web-site at www.behcets.com and learn about this disease so that together, we can raise awareness that will help diagnose and treat people that suffer every day.

Thank you sincerely for your time and hope to hear from you soon!

The ABDA Executive Board of Directors
